Medallists in the Graduating Class 42

The Convocation ceremony (the calling together of the academic assembly) has its roots in university traditions of medieval Europe.

The Mace
The mace is a staff symbolizing authority. In the days of knighthood, it was a weapon, but after the 16th century it became solely a symbol of authority carried by a distinguished member of an assembly. It is used on ceremonial occasions to signify the right of an individual or institution to perform a certain function—in the case of universities, to grant degrees.

At Convocation, the mace is carried ahead of the Chancellor as he enters and leaves each ceremony. During the ceremony the mace is displayed on a special stand as an embodiment of the authority of the University.

Carleton's mace was presented to the University in 1976 as a gift from the Chair of the Board of Governors at that time, Mr. Hyman Soloway. It is a silver-plated staff approximately three feet long. At the upper end there is a bowl marked with the University's coat of arms and the University motto in both Latin and English— "Opera Nobis Aeterna" and "Ours the Task Eternal." From the upper portion of the bowl rises a phoenix. Traditional oak leaves surround the lower end of the staff.

Coat of Arms
The coat of arms was presented to the University by His Excellency The Right Honourable Ramon John Hnatyshyn, Governor General of Canada, on November 15, 1992, as part of Carleton's 50th anniversary celebrations. It is described in heraldic terms as follows: "Sable a maple leaf Gules irradiated and charged with an open book Argent; And for a Crest: on a wreath Argent Sable and Gules a Phoenix Gules quilled and beaked Or issuing from flames proper; And for a Motto: Ours the Task Eternal; And for Supporters: on a grassy mount on either side a raven Sable beaked and membered or armed Gules."

The open book on the maple leaf signifies that Carleton University is in the nation's capital and that learning is open to all who wish to partake of it. The phoenix, the legendary eternal bird, symbolizes the renewing of learning from older foundations, in recognition of Henry Marshall Tory's role in the founding of the University when he was 78 years old. "Ours the Task Eternal" is taken from a Walt Whitman poem entitled "Pioneers" and ties in with the eternal quality of the phoenix.

And so, the Carleton University coat of arms symbolizes sound learning, good citizenship, and the highest hopes of humanity.

The Diploma
The diploma the graduates receive at Convocation is the certificate of qualification which publishes the fact that the student has fulfilled all the requirements and completed the prescribed course of study for the degree. As the senior academic legislative body of the University, it is the Senate which has determined whether the requirements have been met. The signatures of both the Chancellor and the President of the University appear on the diploma: the Chancellor because of his role in conferring the degree, and the President who, as Chair of Senate, certifies that Senate has enacted the required motion to award the degree. The Seal of the University is affixed to the diploma as a mark of authentication.

Academic Dress
The academic dress of Carleton University results from a compromise between that found in the ancient foundations of Britain and Canada and the American Intercollegiate Code. All three hoods—bachelor's, master's, and doctor's —are of the simple or Oxford shape. The bachelor's hood is made of black stuff; the master's and doctor's are made of black silk and all are lined with silver silk with two chevrons, one of red and one of black. From bachelor's to doctor's, the hoods are progressively longer and opened to show more and more of the lining.

The velvet border of the hoods denotes the degrees granted according to the following colour combinations: applied science is orange with a black cord sewn slightly in from the lower border; architecture is cerise; architectural studies is cerise with a black cord sewn slightly in from the lower border; arts is white; commerce is camel brown; computer science is royal blue; engineering is orange; humanities is white with a red cord sewn slightly in from the lower border; industrial design is dark cardinal; international business is camel brown with a red cord sewn slightly in from the lower border; journalism is white with a black cord sewn slightly in from the lower border; management studies and business administration is camel brown with a black cord sewn slightly in from the lower border; mathematics is hunter green; music is venetian pink; public administration is peacock blue; public affairs and policy management is teal with a gold cord sewn slightly in from the lower border; science is golden yellow; social work is cream; and doctor of philosophy is purple.

The master's and bachelor's gowns, to be worn with the above hoods, are of full length, made of black stuff, with a gathered yoke behind, and long open-fronted sleeves. The doctoral gown is of full-style, made of fine royal blue cloth with facings of light blue silk, with a full gathered yoke behind, and closed sleeves with an opening at the elbows.

The two shades of blue in the doctoral gown are those of the United Nations, and are meant to recognize the University's long-standing interest, from its earliest years, in international affairs and issues. The colours were chosen when the University awarded its first honorary degree, in 1954, to the second Secretary General of the United Nations, the late Dag Hammarskjöld. The tradition of awarding honorary degrees to Secretaries General of the United Nations has continued since that time.

The gown of the honorary Doctor of Laws, Literature, Music, Science, Engineering, Architecture or Fine Arts is a full robe with bell-shaped sleeves. It is made of fine royal blue cloth with facings and sleeves in light blue silk. The hood is made of the same material as the gown, has the same lining as that for the degrees granted by examination, and is bordered with dark mauve for the degree of Doctor of Laws; vibrant blue for the degree of Doctor of Literature; venetian pink for the degree of Doctor of Music; red for the degree of Doctor of Science; orange for the degree of Doctor of Engineering; cerise for the degree of Doctor of Architecture; and dark cardinal for the degree of Doctor of Fine Arts.

Alumni Park
Weather permitting, today's Convocation ceremonies are being held outdoors in Alumni Park which was dedicated in 1992, at the initiative of the Carleton University Alumni Association, to commemorate the University's 50th anniversary. The arbour under which the Chancellor, the President and Vice-Chancellor, the representative of the Board of Governors, and the faculty are seated is a generous gift from the Association. It provides a permanent stage for Carleton's Convocation ceremonies and other events such as theatrical productions, concerts, and the like. Future plans for the Park include an enhancement of the existing fountain area with the construction of a plaza and landscaping to open up views to the Rideau River.

The Presiding Officer of Convocation is the Chancellor of the University, Marc Garneau, C.C., C.D., B.Sc., Ph.D., LL.D., P.Eng.

Accompanying him on the podium is Jocelyn Ghent Mallett, B.A., M.A., Ph.D., Chair of the Board of Governors, and Richard J. Van Loon, B.Sc., M.A., Ph.D., President and Vice-Chancellor.

Joy Maclaren

Joy H. Maclaren, B.Sc., LL.D.

Carleton University is pleased to honour Joy Maclaren, community leader and philanthropist, with the 2005 Founders Award, the University's highest non-academic award, in recognition of her dedication, generosity, and commitment to the values of the university, and her significant contribution to the advancement of Carleton.

Joy Maclaren has been an associate of Carleton for more than 20 years. She was a member of the Board of Governors from 1985-93, serving on the Building Program and University Relations Committees. Her ongoing efforts to enhance the campus resulted in the creation of Alumni Park, the area behind Robertson Hall where spring Convocation ceremonies are held.

Joy Maclaren is a determined advocate for minority rights. Her efforts to assist students with disabilities at Carleton resulted in the creation of the Joy Maclaren Adaptive Technology Centre in the MacOdrum Library. She made a major gift toward the establishment of a faculty position in Carleton's Centre for Aboriginal Education, Research, and Culture. In 1993, Aboriginal elders gathered at a special ceremony at Carleton to bestow upon her the name 'New Sun,' in recognition of her leadership in advancing the goals of Aboriginal people.

On the national scene, she has devoted her time to the Canadian Guide Dogs for the Blind (where she was a founding member), the Company of Young Canadians, the Vanier Institute for the Family, and the Advisory Board of the Aboriginal Women's Support Centre. Locally, she was a founding member of both the hospice movement that led to the creation of the Hospice at May Court in Ottawa and the Community Foundation of Ottawa.

Joy Maclaren graduated with a B.Sc. in Nutrition from Macdonald College-McGill University in 1944. In 2000, McGill University awarded her an honorary Doctor of Laws degree.

O Canada! Our home and native land!

True patriot love in all thy sons command.

With glowing hearts we see thee rise,

The True North strong and free!

From far and wide, O Canada,

We stand on guard for thee.

God keep our land glorious and free!

O Canada, we stand on guard for thee.

O Canada, we stand on guard for thee.

O Canada! Terre de nos aïeux,

Ton front est ceint de fleurons glorieux.

Car ton bras sait porter l'épée,

Il sait porter la croix.

Ton histoire est une épopée,

Des plus brillants exploits.

Et ta valeur, de foi trempée,

Protégera nos foyers et nos droits.

Protégera nos foyers et nos droits.

Marc-André Hamelin

Marc-André Hamelin, O.C., C.Q., B.Mus., M.Mus.

Marc-André Hamelin, internationally recognized classical pianist, will be awarded the degree of Doctor of Music, *honoris causa*, at the 12:30 p.m. ceremony on Thursday, June 16, "in recognition of an outstanding career as a Canadian classical pianist."

Marc-André Hamelin was described in *International Piano Quarterly* as "one of the most adventurous and courageous pianists of recent times." Alive with detail, inner transparency, and concentrated emotion, Hamelin's performances often make the piano and its mechanisms seem to fall away, leaving an ideal realization of the music that is communicated directly to his audiences.

Marc-André Hamelin has toured extensively all over North America and Europe, performing in recitals, festivals, and with renowned orchestras under the great conductors of our time. He is also a prolific recording artist, having recorded the music of countless composers on Hyperion Records.

Hamelin was the winner of the 1985 Carnegie Hall International Competition of American Music and the 2000 Gramophone Instrumental Award, and has received multiple Grammy nominations for his recordings.

Marc-André Hamelin was made an Officer of the Order of Canada in 2003 and a Chevalier de l'Ordre du Québec in 2004. Born in Montréal, Hamelin studied at the Vincent d'Indy School of Music and Temple University in Philadelphia (B.Mus, M.Mus.), where he now resides.

Thursday, June 16, 12:30 p.m.

Chancellor Marc Garneau, C.C., C.D., B.Sc., Ph.D., LL.D., P.Eng., presiding.

(The audience is requested to stand when the Academic Procession arrives, to remain standing until `O Canada' has been sung, and at the conclusion of the ceremony to remain until the Academic Procession has left.)

Robert Laughton, Q.C., B.A., LL.B.

Robert Laughton, former Chair of the Carleton University Board of Governors, will be awarded the degree of Doctor of Laws, *honoris causa*, at the 4:00 p.m. ceremony on Thursday, June 16, "in recognition of an outstanding contribution to Carleton University as Chair and a member of the Board of Governors, and to the Ottawa community."

A graduate of Carleton and Queen's universities, Robert Laughton has practised law in his native Ottawa for more than 40 years. A former managing partner of one of Canada's largest law firms, Gowling Lafleur Henderson LLP, he currently serves as Counsel to the firm.

An enthusiastic supporter of Carleton University, he has served the University in a variety of capacities, including Chair of its Board of Governors and Chair of its Executive, Nominating and Finance Committees. He is also Director of the Carleton University Foundation.

Laughton's community involvement, however, spans well beyond the campus borders. He is a former Chair of the Royal Ottawa Hospital Board of Trustees and a current Governor of the Community Foundation of Ottawa. He has also been involved with the Boy Scouts of Canada, the National Capital Region YM-YWCA, the Canadian Corps of Commissionaires, and the Ottawa Sports Hall of Fame Inc., among other community and national organizations.

Robert Laughton's contribution to the community and to Canada has been recognized by a number of local and national honours and awards, including a Commemorative Medal for Her Majesty the Queen Elizabeth's Golden Jubilee, and a Commemorative Medal for the 125th Anniversary of the Confederation of Canada.

Thursday, June 16, 4:00 p.m.
